#### 11. Margaret Carder Library Summer Reading Program

A special thank you to the parents for your time to bring your children to the library to check out books and to listen to them read their books to you.

The first day of the Summer Reading Program, Thursday, July 8, the children played games, watched a movie about different kind of under the sea fish, followed by reading a few books about a fish by Rebecca Mitchem.

The second day, Friday, July 9, our guest speaker Pastor Cliff Mitchem spoke to the children about his military time spent in Korea. The children were fascinated with his over sea experience. The children had lots of questions during his presentation. One unforgettable question was “Did Indiana Jones fight in Korea? If he did he would have fought on the good side.”

Second part of the program, Channing Reed gave her presentation about Octopuses. The children had an opportunity to make their own craft octopus to take home to their parents.

The last day, Friday, July 10, was the Under the Sea Party which contained the children to unravel a special spider web game where the children had to find their prize?

At the end of the program all the children were awarded for there participation in the program and contest. The contest winners got a special award which included \$10.00. The runners up received a book. The most books read by a child were 195 books, from May 20 thru July 10, 2010.

It was a great competition. Over 1,139 books were read for the reading contest.

The winners are Erin Mitchem, Kaydee Shrum, Adriana Zuniga, J. T. Shrum, J. D. Mitchem, Alex Wiggins, and Shania Henry.

The winners for Teens for reading books and volunteering services at the library are Amber Passmore and Baylor Robinette.
